EDUCATION

Vellore Institute of Technology , Chennai, India Computer Science - AIML — CGPA: 9.0	2023 – 2027
Nine Education Academy , Hyderabad Telangana State Board of Intermediate Education — Aggregate: 93.5%	2021 – 2023
Sri Sai Public School , Hyderabad ICSE (Class X) — CGPA: 9.2	2020 – 2021

TECHNICAL SKILLS

AI/ML Development:

Python — LangChain — OpenAI APIs - Scikit-learn

Web Development:

Flask - Fast-API's — JavaScript — React — NextJS

Databases & Tools:

MongoDB — PostgreSQL — Git — Linux - AWS EC2 -

PROJECTS

Automated Manager 2.0	<i>Python — Google APIs — Gemini AI — LangChain — OAuth</i> July 2025 Developed an AI-powered system that monitors Gmail inboxes and automatically creates Google Calendar events from email content. Implemented OAuth authentication, real-time email watching, and duplicate prevention using Google's Gemini 1.5 Flash model. Features include background operation, detailed logging, and comprehensive error handling.	Code	—	No live website
BloggerAI AI	<i>Python — Flask — LangChain — Google Search API — Gemini</i> June 2025 Created a research assistant that generates formatted technical news summaries using Google Search API and AI processing. Implemented a tool-calling agent with custom prompt engineering to produce consistently structured outputs. Features include real-time web searching, multi-point summarization, and source attribution.	Code	—	No live website

OPEN SOURCE CONTRIBUTIONS

LangChain4j — Spring Boot Starter for Gemini AI	<i>Java — Spring Boot</i>	Oct 2024
Implemented Spring Boot starter configuration files for Gemini AI, published to Maven Central.		
LangChain4j — Brave API Web Search Integration	<i>Java</i>	Ongoing
Developing Brave API integration for web search functionality.		
Code	—	No live website

WORK EXPERIENCE

Newton School Coding Club — <i>Web Developer</i>	Sept 2024 – Present
Developed web applications using React/Next.js	
Google Developer Club (GDG), VIT Chennai — <i>Open Source Developer</i>	Oct 2024 – Present
Contributed to multiple projects with merged PRs.
